Privacy and Data Protection (GDPR)

Your data will be collected and handled by ISC Group, the organizer of this event, to grant you access to the event and its digital platform.

When you register, an account will be created with all the information that you entered during registration. This account will give you access to the platform and the attendees' list to network before, during, and after the event.

- Your data will be given to Swapcard, our partner and editor of our digital platform.
- Your data will be protected and not commercialized. You have the right to access your data, as well as to edit or delete it.

For further information on your data processing and your rights, please refer to Swapcard's data protection policy - [Swapcard Privacy Policy](#).
